

Required Documents Check List 2013

Begin gathering your required documents because some documents may take some time to obtain. The required documents will need to be completed and handed in June 8th 2013 at the beginning of the M-Pulse Inventory Test. Failure to submit the required documents will result in a removal from the process. You only need to submit the required document information that pertains to you. **Place a checkmark in the circle to the left of the required document that you have submitted.**

The Required Documents will be submitted in 5, 2 inch expandable letter file jackets that can be closed on top with a flap.

One of the 5 expandable 2 inch jackets will need to be marked "**original**" which will contain both original, completed, and signed 5 and 21 page applications, sealed unopened transcripts from all High Schools and Colleges, certified copies of required listed documents, and copies of the rest of the required documents.

I will **not** accept any original Birth Certificates, DD214, Driver License, and Social Security Cards. For certified copies you will need to take your original to the Records Officer and they will make certified copies.

All Documents submitted will become the property of the Rockford Police Department and will not be returned to the applicant.

You will have to place your last name first followed by your first name on the tab of every jacket.

Make sure your applications are **fully completed to the best of your ability**. If you leave blank spaces then we will question it. If a question on the application does not pertain to you then place "N/A" in the blank space. Also make sure all your jackets are in the same sequential order as the original.
